

## PINE CREEK GRIST MILL NEEDS YOUR HELP

The mill would not be the restored and important historic site that it is without Volunteers like you. It is on the National Register of Historic Places. The mill is in Wildcat Den State Park.

### HOW WILL ***VOLUNTEERING*** BENEFIT YOU?

- Be involved with a piece of history, a tourist attraction, and an educational resource
- Gain satisfaction from preserving or interpreting a regional treasure
- Learn about the mill's history and how it worked
- Gain satisfaction from helping our interpreters tell the mill's story to children and adults
- Help raise donations
- Help improve the Web site. We have someone doing the geeky technical stuff.
- Contribute content to our Facebook page or other social media
- Suggest your own way of helping
